II. DISCUSSION OF MASTER FEE LIST FOR FY2016

Mayor Bruggeman opened the meeting with brief comments & expressions of sympathy concerning the regrettable passing of Ward 1 Council Member Brad Casteel. All were encouraged to keep the Casteel family in their thoughts.

The Mayor continued the meeting explaining the purpose of the workshop and turned the discussion over to City Manager Whitson. The City Manager explained the background of the master fee list, particularly addressing the proposed Fiscal Year 2016 (FY16) development fees with a presentation.

The council had an in-depth and lively discussion reviewing the proposed FY16 fees. For a majority of the development fees, council consensus is that staff perform further research in looking at comparable cities to include similar demographics such as population, income, education, location, etc to determine what will work best for Texarkana. City Manager Whitson stated that Tax Increment Reinvestment Zone (TIRZ) funds are limited when it comes to running city government. The comparison study of like cities will hopefully include cities that also have a TIRZ. The City Manager also stated that the issuance of building permits has increased in comparison to last year which indicates building projects are not slowing down in Texarkana.

During this workshop, a majority of the fees, with minimal changes, were reviewed and there was no council objection to the proposed changes. Staff was tasked to present additional information regarding building permit fees and also sign permit fees for council review at the second public workshop scheduled for June 3, 2015.

III. COMMENTS FROM THE PUBLIC (LIMIT 5 MINUTES EACH)

The council heard a variety of comments from the public. Comments were made by: Mike Adcock, Tracy Berry, John Boynton, Jason Christian, Curt Green, Bobby Howell, Jeffrey Lloyd, Alan Schimming, David Whatley, Zach Whatley, among others.

The collective and summarized opinions expressed from public comments were:

Development fees have drastically increased.

Small development companies are more impacted by the increase in fees.

It's agreed that fees do need to be raised, but increased fees should be incremental and not all at once or "overnight".

The city should develop a five-year plan to increase development fees so that the city can eventually be where it would like to be on development fees.

Fees in other Texas cities for development are considerably lower.

Lines of communication need to be more open between the city and the development community.

The bedrock of the city is small businesses.

The formula used to determine business fees, such as square footage -versus- value, needs to be reevaluated.

II. DISCUSSION OF MASTER FEE LIST FOR FY2016

Mayor Bruggeman opened the meeting welcoming all in attendance. Mayor Bruggeman told the audience that the meeting was to allow further council discussion, gain input from citizens and review the updated information that staff would present. There will be more council meetings in the future for added discussions of the proposed FY16 Master Fee List. Mayor Bruggeman then turned the discussion over to City Manager Whitson.

The City Manager began by proposing a new concept for sign permit fees, defining the process regarding fees in much simpler terms. Representatives from the local sign companies were agreeable to the new fee structure proposed for signs. Next, the City Manager reported on the findings of staff research in regards to setting the construction fees. Staff found cities similar in population and demographics for comparison. Again, the City Manager mentioned that the city has less than the tax base for use in the city's general fund due to the TIRZ. After showing the council some charts and graphs, council began review of the newly proposed development fees. As a result of this discussion, adjustments were made on the fee schedule that were amenable to city staff and developers.

The City Manager briefly discussed and proposed a new concept for a funding source for the Texarkana Regional Airport that council could consider in the future. Fire Chief Eric Schlotter gave an update, at the request of Council Member Davis, on various fire related fees.

The council finished reviewing the remainder of the fees. Mayor Bruggeman announced that Public Workshop #3 of the Master Fee List Review, scheduled for Thursday, June 4, 2015 at 5:30 p.m.,

Minutes Acceptance: Minutes of Jun 3, 2015 5:30 PM (Consent Items)

would be cancelled as this session completes the review of all the fees on the proposed FY16 Master Fee List.

Review of Master Fee List for FY2016

III. COMMENTS FROM THE PUBLIC (LIMIT 5 MINUTES EACH)

Members of the public who attended the workshop were: Barbara Adcock, Mike Adcock, Don Anderson, Linda Anderson, Larry Berry, Jason Christian, Curt Green, Mike Rogers, Clay Warren, David Whatley, Zach Whatley, Billy White, and Aven Williamson.

The collective and summarized opinions expressed from public comments were:

Representatives from the sign companies expressed their thanks for the proposal and clarity of the new sign permit fees.

The developers asked for no base fee but a flat fee of 50 cents per square foot regardless of the size of square footage. They also asked for a simple chart breaking down approximate fees based on the cost of the project. This would help bring clarity to their clients as they bid jobs.

Overall, the audience was pleased that the city listened to their concerns and thanked the council and city staff for simplifying the fee schedule and offering reasonable fees for the benefit of all.

X. ITEMS FOR DISCUSSION

Staff Updates - Gateway Welcome Sign

Lisa Thompson provided an update to council and showed some pictures of where the proposed welcome sign could be located. Depending on the location, council consensus is for staff to ask TxDOT officials for an exception to increase the size of the sign and to talk to City of Nash officials about possibly locating the sign west of the Kings Hwy exit off Interstate 30. City Manager Whitson added that TxDOT may have certain considerations due to the geographical locations of each proposed site.

SUMMARY: The IT infrastructure switches utilized in our computer network are out of warranty and are at the end of their useful life. Any insurance policy to be carried and maintained pursuant to this Agreement shall be so written or endorsed as to make losses, if any, payable to Lessee and Lessor as their respective interests may appear. All such liability insurance shall name Lessor as an additional insured. Each insurance policy carried and maintained pursuant to this Agreement shall contain a provision to the effect that the insurance company shall not cancel the policy or modify it materially or adversely to the interest of the Lessor without first giving written notice thereof to Lessor at least 30 days in advance of such change of status.

QUIET ENJOYMENT AND TERMINATION OF LESSOR'S INTEREST: To secure Lessee's obligations hereunder, Lessor is granted a security interest in the Property, including substitutions, repairs, replacements and renewals, and the proceeds thereof, which is a first lien thereon. Lessee hereby authorizes Lessor to file all financing statements which Lessor deems necessary or appropriate to establish, maintain and perfect such security interest. Provided there does not exist an Event of Default as defined herein, the Lessee shall have the right of quiet enjoyment of the Property throughout the Lease Term. Unless otherwise required by law, title to the Property shall be in the name of Lessee, subject to Lessor's interest hereunder.

OPTION TO PURCHASE: If Lessee shall have performed all of its obligations and no default shall have occurred and be continuing under this Agreement, and this Agreement shall not have been earlier terminated with respect to the Property, then, at the end of the Lease Term with respect to any item of Property, Lessee shall have the option to purchase Lessor's entire interest in all of the Property subject to this Property Schedule and to terminate any restrictions herein on the Property under this Property Schedule on the last day of the Lease Term for this Property Schedule, if this Property Schedule is still in effect on such day, upon payment in full of the Rental Payments due thereunder plus payment of One (1) Dollar to Lessor. Lessee shall give written notice to Lessor of its intent to purchase Lessor's interest in the Property at least sixty (60) days prior to the last day of the Lease Term for this Property Schedule. Upon exercise of the purchase option as set forth in this Option to Purchase section and payment of the purchase price under this Property Schedule, and performance by Lessee of all other terms, conditions and provisions hereof, Lessor shall deliver to Lessee all such documents and instruments as Lessee may reasonably require to evidence the transfer, without warranty by or recourse to Lessor, of all of Lessor's right, title and interest in and to the Property subject to this Property Schedule to Lessee, whereupon Lessor's interest in such Property shall terminate.

TAX EXEMPTION: The parties contemplate that interest payable under this Agreement will be excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"). The tax-exempt status of this Agreement provides the inducement for the Lessor to offer financing at the interest rate set forth herein. Therefore, should this Agreement be deemed by any taxing authority not to be exempt from taxation, Lessee agrees that the interest rate shall be adjusted, as of the date of loss of tax exemption, to an interest rate calculated to provide Lessor or its assignee an after tax yield equivalent to the tax exempt rate and Lessor shall notify Lessee of the taxable rate. Provided, however, that the provision of the preceding sentence shall apply only upon a final determination that the interest payments are not excludable from gross income under Section 103(a) of the Code, and shall not apply if the determination is based upon the individual tax circumstances of the Lessor, or a finding that the party seeking to exclude such payments from gross income is not the owner and holder of the obligation under the Code.

REPRESENTATIONS AND WARRANTIES OF LESSEE: Lessee hereby represents and warrants to Lessor that: (a) Lessee is a State, possession of the United States, the District of Columbia, or political subdivision thereof as defined in Section 103 of the Code and Treasury Regulations and Rulings related thereto. If

(b) Lessee has been duly authorized by the Constitution and laws of the applicable jurisdiction and by a resolution of its governing body (which resolution, if requested by Lessor, is attached hereto), to execute and deliver this Agreement and to carry out its obligations hereunder. (c) All legal requirements have been met, and procedures have been followed, including public bidding, in order to ensure the enforceability of this Agreement. (d) The Property will be used by Lessee only for essential governmental or proprietary functions of Lessee consistent with the scope of Lessee's authority and will not be used in a trade or business of any person or entity, by the federal government or for any personal, family or household use. Lessee's need for the Property is not expected to diminish during the term of the Agreement. (e) Lessee has funds available to pay Lease Payments until the end of its current appropriation period, and it intends to request funds to make Lease Payments in each appropriation period, from now until the end of the term of this Agreement. (f) The Lessee shall comply at all times with all applicable requirements of the Code, including but not limited to the registration and reporting requirements of Section 149, to maintain the federal tax-exempt status of the Agreement. The Lessee shall maintain a system with respect to this Agreement, which tracks the name, and ownership interest of each assignee who has both the responsibility for administration of, and ownership interest in this Agreement. (g) Lessee's exact legal name is as set forth on the first page of this Agreement. Lessee will not change its legal name in any respect without giving thirty (30) days prior written notice to Lessor.

INDEMNIFICATION OF LESSOR: To the extent permitted by law, Lessee shall indemnify and save Lessor harmless from and against all claims, losses, costs, expenses, liability and damages, including legal fees and expenses, arising out of (a) the use, maintenance, condition or management of, the Property by Lessee, (b) any breach or default on the part of Lessee in the performance of any of its obligations under this Agreement or any other agreement made and entered in connection with the lease of the Property, (c) any act of negligence of Lessee, or its successors or assigns, or any of its agents, contractors, servants, employees, or licensees with respect to the Property, (d) the acquisition, delivery, and acceptance of the Property, (e) the actions of any other party including, but not limited to, the ownership, operation, or use of the Property by Lessee, or (f) Lessor's exercise and performance of its powers and duties hereunder. No indemnification will be made for negligence or breach of duty under this Agreement by Lessor, its directors, officers, agents, employees, successors, or assignees. Lessee's obligations under this Section shall remain valid and binding notwithstanding termination or assignment of this Agreement.

NONAPPROPRIATION: If sufficient funds are not appropriated to make Lease Payments under this Agreement, this Agreement shall terminate and Lessee shall not be obligated to make Lease Payments under this Agreement beyond the then current fiscal year for which funds have been appropriated. Upon such an event, Lessee shall, no later than the end of the fiscal year for which Lease Payments have been appropriated, deliver possession of the Property to Lessor. If Lessee fails to deliver possession of the Property to Lessor, the termination shall nevertheless be effective but Lessee shall be responsible for the payment of damages in an amount equal to the portion of Lease Payments thereafter coming due that is attributable to the number of days after the termination during which the Lessee fails to deliver possession and for any other loss suffered by Lessor as a result of Lessee's failure to deliver possession as required. Lessee shall notify Lessor in writing within seven (7) days after the failure of the Lessee to appropriate funds sufficient for the payment of the Lease Payments, but failure to provide such notice shall not operate to extend the Lease Term or result in any liability to Lessee.

ASSIGNMENT BY LESSEE: Without Lessor's prior written consent, Lessee may not, by operation of law or otherwise, assign, transfer, pledge, hypothecate or otherwise dispose of the Property, this Agreement or any interest therein.

ASSIGNMENT BY LESSOR: Lessor may assign, sell or encumber all or any part of this Agreement, the Lease Payments and any other rights or interests of Lessor hereunder. Such assignees may include trust agents for the benefit of holders of certificates of participation.

EVENTS OF DEFAULT: Lessee shall be in default under this Agreement upon the occurrence of any of the following events or conditions ("Events of Default"), unless such Event of Default shall have been specifically waived by Lessor in writing: (a) Default by Lessee in payment of any Lease Payment or any other indebtedness or obligation now or hereafter owed by Lessee to Lessor under this Agreement or in the performance of any obligation, covenant or liability contained in this Agreement and the continuance of such default for ten (10) consecutive days after written notice thereof by Lessor to Lessee, or (b) any warranty, representation or statement made or furnished to Lessor by or on behalf of Lessee proves to have been false in any material respect when made or furnished, or (c) actual or attempted sale, lease or encumbrance of any of the Property, or the making of any levy, seizure or attachment thereof or thereon, or (d) dissolution, termination of existence, discontinuance of the Lessee, insolvency, business failure, failure to pay debts as they mature, or appointment of a receiver of any part of the property of, or assignment for the benefit of creditors by the Lessee, or the commencement of any proceedings under any bankruptcy, reorganization or arrangement laws by or against the Lessee.

REMEDIES OF LESSOR: Upon the occurrence of any Event of Default and at any time thereafter, Lessor may, without any further notice, exercise one or more of the following remedies as Lessor in its sole discretion shall elect: (a) terminate the Agreement and all of Lessee's rights hereunder as to any or all items of Property; (b) proceed by appropriate court action to personally, or by its agents, take possession from Lessee of any or all items of Property wherever found and for this purpose enter upon Lessee's premises where any item of Property is located and remove such item of Property free from all claims of any nature whatsoever by Lessee and Lessor may thereafter dispose of the Property; provided, however, that any proceeds from the disposition of the Property in excess of the sum required to (i) pay to Lessor an amount equal to the total unpaid principal component of Lease Payments under the Property Schedule, including principal component not otherwise due until future fiscal years, (ii) pay any other amounts then due under the Property Schedule and this Agreement, and (iii) pay Lessor's costs and expenses associated with the disposition of the Property and the Event of Default (including attorneys fees), shall be paid to Lessee or such other creditor of Lessee as may be entitled thereto, and further provided that no deficiency shall be allowed against Lessee; (c) proceed by appropriate court action or actions to enforce performance by Lessee of its obligations hereunder or to recover damages for the breach hereof or pursue any other remedy available to Lessor at law or in equity or otherwise; (d) declare all unpaid Lease Payments and other sums payable hereunder during the current fiscal year of the Lease Term to be immediately due and payable without any presentment, demand or protest and / or take any and all actions to which Lessor shall be entitled under applicable law. No right or remedy herein conferred upon or reserved to Lessor is exclusive of any right or remedy herein or at law or in equity or otherwise provided or permitted, but each shall be cumulative of every other right or remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise, and may be enforced concurrently therewith or from time to time. Lessee agrees to pay to Lessor or reimburse Lessor for, in addition to all other amounts due hereunder, all of Lessor's costs of collection, including reasonable attorney fees, whether or not suit or action is filed thereon. Unless prohibited by law, Lessee and Lessor hereby irrevocably waive all right to trial by jury in any action, proceeding or counterclaim (whether based on contract, tort or otherwise) arising out of or relating to this Agreement.

NOTICES: All notices, and other communications provided for herein shall be deemed given when delivered or mailed by certified mail, postage prepaid, addressed to Lessor or Lessee at their respective addresses set forth herein or such other addresses as either of the parties hereto may designate in writing to the other from time to time for such purpose.

ESCROW AGREEMENT

This Escrow Agreement (the "Escrow Agreement"), dated as of April 30, 2015 and entered into among Key Government Finance, Inc. ("Lessor"), City Of Texarkana, Texas ("Lessee") and KeyBank National Association (the "Escrow Agent").

RECITALS:

A. Lessor and Lessee are parties to a Tax-Exempt Lease/Purchase Agreement, dated as of April 30, 2015 and Property Schedule thereunder (the "Lease"), whereunder Lessee is acquiring from Lessor certain personal property more particularly described therein (the "Property").

B. Lessor and Lessee intend to cause or have caused certain funds to be deposited with Escrow Agent to pay for costs of the Property, and Escrow Agent has agreed to disburse said funds in accordance with the terms and conditions of this Agreement.

C. Each of the parties has authority to enter into this Agreement and has taken all actions necessary to authorize the execution of this Agreement by the officers whose signatures are affixed hereto.

NOW, THEREFORE, the parties agree as follows:

1. Appointment of Escrow Agent. Lessor, Lessee and Escrow Agent agree that Escrow Agent shall act as sole Escrow Agent under the Lease and this Escrow Agreement, in accordance with the terms and conditions set forth in this Escrow Agreement. The Escrow Agent, in its capacity as escrow agent hereunder, shall not be deemed to be a party to the Lease, and this Escrow Agreement shall be deemed to constitute the entire agreement regarding the Acquisition Fund (as hereinafter defined) among Lessor, Lessee and Escrow Agent.

2. Acquisition Fund. There is hereby established in the custody of Escrow Agent an escrow fund designated as the "City Of Texarkana, Texas Acquisition Fund" (the "Acquisition Fund") to be held and administered by Escrow Agent for Lessee and Lessor in accordance with this Escrow Agreement, subject to Lessor's rights under this Section 2 and Section 3 hereof.

The moneys and investments held by Escrow Agent under this Agreement are irrevocably held for the benefit of Lessee and Lessor, and such moneys, together with any income or interest earned thereon, shall be expended only as provided in this Agreement, and shall not be subject to levy or attachment or lien by or for the benefit of any creditor of Lessee (other than Lessor) or Lessor. Lessee hereby grants to Lessor a security interest in the Acquisition Fund to secure payment of all sums due to Lessor under the Lease. For such purpose, Escrow Agent hereby agrees to act as agent for Lessor in connection with the perfection of such security interest and agrees to note, or cause to be noted, on all books and records relating to such accounts, Lessor's interest therein.

(a) Deposit in Acquisition Fund. There shall be deposited in the Acquisition Fund the sum of \$93,515.86. Escrow Agent shall maintain accounting records sufficient to permit calculation of the income on investments and interest earned on deposit of amounts held in the Acquisition Fund, and such income and interest shall become part of the Acquisition Fund and may be expended as provided herein.

(b) Disbursements from Acquisition Fund. Escrow Agent shall make payments from the Acquisition Fund to pay costs of the Property upon receipt of requisitions from Lessee, signed by an authorized individual substantially in the form attached hereto as Exhibit A, which is incorporated by reference herein. In the event Escrow Agent is directed or requested by Lessee to hold or deposit any retained funds or to accept a retainage bond (in lieu of funds) as may be required by law or the terms of the acquisition contract to which Lessee is a party, Escrow Agent shall act in accordance with Lessee's instructions, and such retained funds (or performance bond) and any interest thereon shall be paid as provided in instructions to Escrow Agent from Lessee. In no event, shall Lessee submit more than six (6) requisitions in any month. The final requisition shall include the final acceptance certificate required in the Lease, which shall be executed by the Lessee and delivered to the Escrow Agent. Where requisitions involve titled motor vehicles, the requisition shall also include:

- (i) Manufacturers Certificate of Origin.
- (ii) Motor vehicle paperwork appropriate to state of registration, noting Key Government Finance, Inc. as lien holder.
- (iii) Insurance certificate naming Key Government Finance, Inc., its successors and assigns as sole loss payee and additional insured for the specified equipment.

3. Termination of Escrow.

(a) Acquisition of Property. Upon the final acceptance of the Property by Lessee, as evidenced by execution by Lessee of a final acceptance certification pursuant to the Lease and delivered to Escrow Agent, and the payment of all costs related thereto (i) any retainage shall be disbursed as directed by Lessee, and (ii) any amounts remaining in the Acquisition Fund (including the earnings from investments thereof) shall be transferred to Lessee and be applied toward reimbursement of Lessee for funds advanced for the Property. To the extent that additional moneys in excess of those needed to reimburse Lessee for the acquisition of the Property exist in the Acquisition Fund, such amounts shall be paid to Lessor and applied first to the next payment due on the Lease and then applied to prepayment of the principal component of installment payments and Lessor shall recalculate the lease payment schedule for the remaining term such that the remaining lease payments shall be level. Upon disbursement of all sums in the Acquisition Fund, this Escrow Agreement shall terminate, provided that the indemnifications by Lessee shall survive the termination of this Escrow Agreement.

(b) Eighteen Months. This Escrow Agreement shall terminate eighteen (18) months from the date of this Escrow Agreement. It may, however, be extended by mutual consent of the Lessee and Lessor in writing to the Escrow Agent either in advance of the termination or retroactively. Any money remaining in the Acquisition Fund at the time of termination under this subsection (b) shall be transferred to Lessor and shall be applied first to the next payment due under the Lease, and then, if there are amounts remaining, applied to the prepayment of the Lease being applied to principal and Lessor shall recalculate the lease payment schedule for the remaining term such that the remaining lease payments shall be level. Lessee shall be deemed to have accepted all Property paid for from the Acquisition Fund at the time of termination under this subsection (b). Upon disbursement of all sums in the Acquisition Fund, this Escrow Agreement shall terminate, provided that the indemnifications by Lessee shall survive the termination of this Escrow Agreement.

(c) Event of Default; Nonappropriation. Upon receipt of written notice from Lessor of an event of default by Lessee under the Lease or an event of nonappropriation, if provided for under the Lease, Escrow Agent shall disburse the funds in the Acquisition Fund to Lessor for application in accordance with the Lease. Upon such payments from the Acquisition Fund, this Escrow Agreement shall terminate, provided that the indemnifications by Lessee shall survive the termination of this Escrow Agreement.

4. Investment of Acquisition Fund. Monies held by Escrow Agent hereunder shall be invested and reinvested by Escrow Agent upon written instructions from Lessee in an investment which is a permitted investment for Lessee under the laws of the state in which Lessee is organized. Escrow Agent shall have no responsibility for advising Lessee or Lessor as to the permissibility of any investment of monies in the Acquisition Fund. If Escrow Agent does not receive a written direction from Lessee as to the investment or reinvestment of monies in the Acquisition Fund, Escrow Agent may hold such monies uninvested until such direction is received. Escrow Agent shall have no responsibility for any losses suffered from any investment of monies on deposit in the Acquisition Fund authorized by Lessee.

5. Amendment and Modification. This Escrow Agreement may not be amended, modified, altered, supplemented or waived except by a written instrument executed by Lessor, Lessee and Escrow Agent.

6. Regarding the Escrow Agent.

(a) Duties of Escrow Agent. Escrow Agent undertakes to perform only such duties as are specifically set forth in this Escrow Agreement. Escrow Agent shall be under no implied obligation or subject to any implied liability hereunder. Escrow Agent shall incur no liability whatsoever except for its gross negligence or willful misconduct so long as it is acting in good faith. Escrow Agent shall not be required to take notice of any of the provisions of the Lease or any document or instrument executed in connection therewith, except as expressly set forth in this Escrow Agreement. The permissive right of the Escrow Agent to do things enumerated in this Escrow Agreement shall not be construed as a duty.

(b) Escrow Agent Reliance. Escrow Agent may act in reliance upon any writing or instrument or signature which it, in good faith, believes to be genuine, may assume the validity and accuracy of any statement or assertion contained in such a writing or instrument, and may assume that any person purporting to give any writing, notice, advice or instructions in connection with the provisions hereof has been duly authorized to do so. Escrow Agent shall not be liable in any manner for the sufficiency or correctness as to form, manner and execution, or validity of any instrument deposited with it, nor as to the identity, authority or right of any person executing the same; and its duties hereunder shall be limited to those specifically provided herein.

(c) Counsel and Fees; Reliance upon Counsel. If Escrow Agent believes it to be reasonably necessary to consult with counsel concerning any of its duties in connection herewith, or in case the Escrow Agent becomes involved in litigation on account of acting hereunder, then, in either case, its cost, expenses and reasonable attorneys fees shall be paid by Lessee. Escrow Agent's right to receive its attorneys' fees and expenses shall survive the termination of this Escrow Agreement. If Escrow Agent consults with counsel, Escrow Agent may act, in good faith, in reliance upon the advice of counsel concerning its duties in connection herewith or in acting hereunder.

(d) No Obligation to Take Legal Action. Escrow Agent shall not be under any obligation to take any legal action in connection with this Escrow Agreement or for its enforcement, or to appear, prosecute or defend any action or legal proceeding which, in its opinion, would or might involve it in any costs, expense, loss or liability, or to otherwise expend or risk its own funds or incur any financial liability in the performance of this Escrow Agreement, unless and as often required by it, it shall be furnished with security and indemnity satisfactory against all such costs, expenses, losses or liabilities. If any controversy arises between the parties hereto or with any third person, the Escrow Agent shall not be required to resolve the same or to take any action to do so (other than to use its best efforts to give notice of such controversy to Lessor and Lessee) but may, at its discretion, institute such interpleader or other proceedings as it deems proper.

(e) Quarterly Statement. Escrow Agent shall issue a quarterly accounting statement showing receipts to and disbursements from the Acquisition Fund. Such statement shall be mailed to Lessor and Lessee.

(f) Resignation and Termination. Escrow Agent may, upon providing thirty days written notice, resign its position as Escrow Agent and terminate its liabilities and obligations hereunder. In the event Escrow Agent is not notified within thirty days of a successor Escrow Agent, Escrow Agent shall be entitled to transfer all funds to a court of competent jurisdiction with a request to have a successor appointed, at the expense of Lessee. Upon filing such action and delivering such assets, Escrow Agent's obligations and responsibilities shall cease. Lessor and Lessee may jointly terminate Escrow Agent and appoint a successor Escrow Agent by providing 15 days written notice to Escrow Agent.

7. Indemnification. To the extent permitted by law, Lessee hereby assumes liability for, and hereby agrees (whether or not any of the transactions contemplated hereby are consummated) to indemnify, protect, save and keep harmless the Escrow Agent and its respective successors, assigns, agents, employees and servants, from and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, suits, costs, expenses and disbursements (including reasonable legal fees and disbursements) of whatsoever kind and nature which may be imposed on, incurred by or asserted against, Escrow Agent at any time (whether or not also indemnified against the same by Lessee or any other person under any other agreement or instrument, but without double indemnity) in any way relating to or arising out of the execution, delivery and performance of this Escrow Agreement, the establishment hereunder of the Acquisition Fund, the acceptance of the funds and securities deposited therein, the purchase of any securities to be purchased pursuant thereto, the retention of such securities or the proceeds thereof, and any payment, transfer or other application of moneys or securities by Escrow Agent in accordance with the provisions of this Escrow Agreement; provided, however, that Lessee shall not be required to indemnify, protect, save or keep harmless Escrow Agent against Escrow Agent's own gross negligence or willful misconduct or gross negligence or willful misconduct of Escrow Agent's respective successors, assigns, agents and employees or the material breach by Escrow Agent of the terms of this Escrow Agreement. The indemnities contained in this Section shall survive the termination of this Agreement.

8. Notices. Any notices permitted or required under this Escrow Agreement shall be in writing and shall be deemed given upon the date of personal delivery or 48 hours after deposit in the United States mail, certified or registered, postage fully prepaid, return receipt requested, addressed to the addresses set forth on the signature page of this Escrow Agreement. The party to whom notices or copies of notices are to be sent shall have the right at any time and from time to time to change its address for notice or person to receive notice by giving notice in the manner specified in this paragraph.

9. Escrow Agent's Fee. Escrow Agent shall be paid no fee for setting up the escrow. In the event that Escrow Agent is made a party to litigation with respect to the Acquisition Fund, or brings an action in interpleader, or Escrow Agent is required to render any service not provided for in this Escrow Agreement, or there is any assignment of interests in this escrow or any modification hereof, Escrow Agent shall be entitled to reasonable compensation for such extraordinary services and reimbursement by Lessee for all fees, costs, liability and expenses, including attorney fees. Lessee also agrees to pay any investment fees or other charges of Escrow Agent, such as wire transfer charges and disbursement charges and agrees such fees and charges may be deducted by and paid to the Escrow Agent from funds in or to be deposited in the Acquisition investment earnings to be deposited in the Acquisition Fund.

10. Counterparts. This Escrow Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same instrument. This Escrow Agreement

General Instructions

What's New

The IRS has created a page on IRS.gov for information about the Form 8038 series and its instructions, at www.irs.gov/form8038. Information about any future developments affecting the Form 8038 series (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

Form 8038-GC is used by the issuers of tax-exempt governmental obligations to provide the IRS with the information required by section 149(e) and to monitor the requirements of sections 141 through 150.

Who Must File

Issuers of tax-exempt governmental obligations with issue prices of less than \$100,000 must file Form 8038-GC.

Issuers of a tax-exempt governmental obligation with an issue price of \$100,000 or more must file Form 8038-G, Information Return for Tax-Exempt Governmental Obligations.

Filing a separate return for a single issue.

Issuers have the option to file a separate Form 8038-GC for any tax-exempt governmental obligation with an issue price of less than \$100,000.

An issuer of a tax-exempt bond used to finance construction expenditures must file a separate Form 8038-GC for each issue to give notice to the IRS that an election was made to

pay a penalty in lieu of arbitrage rebate (see the line 11 instructions).

Filing a consolidated return for multiple issues. For all tax-exempt governmental obligations with issue prices of less than \$100,000 that are not reported on a separate Form 8038-GC, an issuer must file a consolidated information return including all such issues issued within the calendar year.

Thus, an issuer may file a separate Form 8038-GC for each of a number of small issues and report the remainder of small issues issued during the calendar year on one consolidated Form 8038-GC. However, if the issue is a construction issue, a separate Form 8038-GC must be filed to give the IRS notice of the election to pay a penalty in lieu of arbitrage rebate.

Executive Summary and Background Information:

Consider a resolution authorizing the City Manager to purchase computer network switching equipment and related computer hardware from Cisco Systems through the Buy Board, using the vendor affiliate GovConnection of Merrimack, NH, in an amount not to exceed \$161,374.01 with the Texarkana, Texas Water Utilities portion being \$99,777.55.

The Information Technology (IT) infrastructure switches in the Texarkana Water Utilities (TWU) computer network are out of warranty and are at the end of their useful life. Newer switches provide the latest in power availability and support functions not available with the current switches. TWU is recommending a purchase for network switch replacement. This purchase will be made through the Buy Board using an approved affiliate for Cisco Systems products. The type and number of switch equipment is shown on the attached proposal. All terms of the purchase agreement appear to be in compliance with Texas statute.

The IT Division of TWU budgets and requests a replacement of existing outdated Cisco equipment on a five year disciplined technology refresh cycle. This investment is expected to cover the Utility core infrastructure and both city data centers over the next five years.

If approved, this equipment will be purchased through the National Local Government Purchasing Coop (Buy Board) Contract # 409-12.

The Buy Board is a local government purchasing cooperative administered by the Texas Association of School Boards.

This Interlocal Cooperation Agreement ("Agreement") is entered into by and between the City of Texarkana, Texas, a home-rule municipality operating under a municipal charter adopted as authorized by Article XI, Section 5, of the Texas Constitution and as recognized by Texas Local Government Code Section 5.004 and having full power of local self-government ("City"), and Riverbend Water Resources District ("Riverbend"), a local governmental entity and political subdivision created by the Texas Legislature as set forth in Title 6, Special District Local Laws Code, Subtitle L, Chapter 9601, under the authority of Article 16, Section 59 of the Texas Constitution.

Recitals

WHEREAS, Riverbend is composed of the following statutory members: the Texas cities of Annona, Avery, DeKalb, Hooks, Maud, New Boston, Texarkana, and Wake Village; and Red River Redevelopment Authority; *see* TEX. SPEC. DIST. LOC. LAWS CODE § 9601.005 ("Riverbend statutory members"); and

WHEREAS, since Riverbend is a local governmental entity and political subdivision of the State of Texas, created by the Texas Legislature under the authority of the Texas Constitution, City deems it appropriate for Riverbend to establish and / or maintain contact with various federal and state governmental entities or agencies or political subdivisions on City's behalf with respect to water supply and conservation, among other purposes; and

WHEREAS, City desires to procure certain services from Riverbend and participate in the funding of the development of Riverbend projects in exchange for a specified fee and dollar-for-dollar Credits towards participation in future water purchases should Riverbend develop such capability, and Riverbend is willing to provide such services and agree to such Credits.

NOW THEREFORE, pursuant to Chapter 791 of the Texas Government Code, and in consideration of the premises and the mutual promises, covenants and agreements contained herein, City and Riverbend hereby agree as follows:

1. Term

- 1.1 *Initial Term.* This Agreement is for a five-year term, commencing on the date the separate agreements titled "Extension and Amendment to Water Supply Contract", by and between the City of Texarkana, Texas, and, respectively, the Texas cities of Annona, Avery, DeKalb, Hooks, Maud, New Boston, and Wake Village ("the separate extension agreements"), have been approved by all contracting parties pursuant to ordinances enacted by the respective governing councils of the parties.
- 1.2 *Renewal Term.* This Agreement shall automatically renew for subsequent, one-year terms, unless terminated pursuant to Section 5 of this Agreement.

2. Riverbend's Services

- 2.1 *Schedule of Services.* Riverbend agrees to perform services on behalf of City as set forth in Schedule A to this Agreement, incorporated herein by reference for all

purposes.

3. City's Advances and Credits

- 3.1 *Advances.* For each year during the term of the Agreement, City shall pay or otherwise dedicate funds to the operation of Riverbend pursuant to Section 4, below ("Advances"). Advances shall be used by Riverbend for any costs, fees, or expenses, including internal costs, as permitted by law and Riverbend's enabling legislation.
- 3.2 *Credits.* If Riverbend develops a project with capability of providing potable water to City ("Project"), then the amount of Advances made by City shall be exchanged by City, without interest, penalties, or fees, in the form of a water purchase credit for the purchase of water ("Credits") from Riverbend. Each one dollar in Advances shall be exchanged for one dollar in Credits that Riverbend shall accept for the purchase of water. The price of water provided by Riverbend shall be based on cost as determined outside of the terms of this Agreement. Credits will be available for use after cost is determined and execution of any contract that specifies the price of water from Riverbend and immediately following the development, construction, and operation of Riverbend's Project.
- 3.3 *Use of Credits.* On or before July 1 of each year after Riverbend's Project is completed and operational, City shall provide Riverbend written notice of the intent to use available Credits and the amount of available Credits proposed to be used during the upcoming budget year. Credits may not be transferred, assigned, or otherwise sold without the agreement of Riverbend. City and Riverbend agree that Riverbend may limit the amount of Credits accepted to maintain adequate funds necessary for its day-to-day operations, and the pro-rata percentage of such limitation, as determined by Riverbend's Board of Directors, shall be the same for all Riverbend statutory members.
- 3.4 *Failure to Construct Project.* The parties understand that should certain outside influences beyond Riverbend's control, such as environmental circumstances, denial of water permit, or failure to obtain necessary funding, prohibit Riverbend in proceeding with the Project, Riverbend shall have no liability to refund any Advances made by City. However, if Riverbend decides, within five (5) years of the effective date of this Agreement, that it does not wish to develop, construct or operate the Project, other than the reasons stated in the preceding sentence, Riverbend shall repay Advances made by City, together with any interest at the Federal Reserve Bank of New York prime rate minus one percent (1%) as posted on the date of the advance. Riverbend may make the repayment over a ten (10) year period in equal annual installments. Upon the refund of all advances, Riverbend will have no further obligation to City.
- 3.5 *No Obligation to Develop Project / Price of Water Not Established.* Nothing in this Agreement, nor any payment of Advances or issuance of Credits; shall (a) obligate

Riverbend to develop, construct, or operate the Project or any portion thereof, or (b) be construed as establishing the price of water. If the Project is developed and constructed, Riverbend shall prepare water purchase agreements with the Riverbend statutory members that will set the price of water based on actual cost plus any reasonable charges necessary for the proper operation, maintenance and improvements necessary to operate the Project. Briefing Sheet

Lead Department: Assistant City Manager **Action Officer:** Pam Burns, Municipal Clerk
Subject: Ordinance No. 2015-035 adopting and enacting a revised Code of Ordinances for the City of Texarkana, Texas.
Briefing: 8/10/2015 **Public Hearing:** 4/13/2015 **Second Briefing:** April 27, 2015 **Council Vote:** 6/22/2015

Item ScheduleSchedule 1: Brief twice - vote once (six weeks)**Updates/History of Briefing:**

The City Council requested that staff hold an additional public hearing on this issue and invite by email addresses the developers, real estate and Home builders Association. Emails, newspaper, social media and website posting for a Public Hearing on Thursday, June 18th at 5:30 PM at Texas City Hall was done by city staff. The general public was also invited. Staff report on this meeting will be provided at the City Council meeting June 22, 2015.

Executive Summary and Background Information:

The City Council of Texarkana, Texas by Ordinance 36-61, passed and approved on June 19, 1961, adopted and enacted a new Code of Ordinances which, with exceptions, functioned as a new and original comprehensive ordinance that superseded all other general and permanent ordinances passed by the City Council on or before May 9, 1961.

City staff, collaborating with Municipal Code Corporation, have completed a topic-by-topic review and revision of the City's current Code of Ordinances, which includes over a half-century of amendments to the Code, for the purpose of improving accessibility by rearranging certain provisions, using a format and numbering system to facilitate citation and future expansion, and eliminating duplicate, obsolete, expired, and superseded provisions.

<http://www.ci.texarkana.tx.us/513/Proposed-Code-of-Ordinances-Recodificati>

The revised Code of Ordinances makes primarily no substantive changes and other changes in compliance with Texas law or Council action, such as adoption of a master fee schedule (see Res. No. 2014-083) which allows for replacing dollar-specific fee information within Code provisions by reference to the Council-adopted fee schedule.

This will require 2 readings of the ordinance. The first reading will be at the first briefing and the second reading when the City Council votes on this item.

Potential Options:

- Approve or deny the adoption of the revised and reorganized Code of Ordinance.

Fiscal Implications:

City of Texarkana, Texas

Substantial savings should be realized once this new Code has been adopted by reducing the number of supplement pages required to continually bring sections of the old Code in line with State Statute and current City needs.

Staff Recommendation:

The following City Staff in collaboration with Jeff Lewis, Retained Legal Counsel and Municode representative, Jim Jenkins, spent numerous hours reviewing and organizing the new Code in the best interest of the citizens of Texarkana, Texas: John Whitson, Shirley Jaster, Deborah Jones, Jennifer Evans, Pam Burns, Dan Shiner, Charles Kriedler, Mike Harris, Eric Schlotter, Chris Black, Daphnea Ryan, Robby Robertson, Kyle Dooley, Charlie Bassett, Bill King, Jim Powell, and David Orr.

Subject: Ordinance No. 2015-061 amending the budget estimates of the expenditures in the 2003, 2005, and 2009 Bond Funds for the fiscal year ending September 30, 2015 to include funding to complete TAMU East Approach Phase IV.

Executive Summary and Background Information:

In FY14, Council authorized the City Manager to enter into a contract to construct Phase IV TAMU East Approach. Later in FY14, Council approved budget amendments to the 2003, 2005, and 2009 Bond Funds to appropriate funding to complete the construction project. The budget estimates that were presented in FY14 assumed that most of the funds needed to construct the project would be spent in FY14, with a small portion of funding needed to complete the project in FY15. Due to weather and utility delays, these funds were not able to be spent before FY14 was complete. This construction project is scheduled to be completed before the end of FY15, but the majority of funds are needed this fiscal year as opposed to our assumption that they would have been spent in FY14. Staff is requesting the FY15 2003, 2005, and 2009 bond fund budget estimates be amended to cover these expected expenditures.

Potential Options:

- Approve budget amendment
- Do not approve budget amendment

Fiscal Implications:

2003 Bond Fund - Additional allocation of \$181,344.42
 2005 Bond Fund - Additional allocation of \$95,000.00
 2009 Bond Fund - Additional allocation of \$75,620.32

Funds are available in these bond funds to cover the requested budget amendment.

Staff recommends approval.

Z-15-9: This is a request by Kyle Barrett, owner, and Chad Raney, agent, to rezone Lot 6, Block 3, J.T. Spears Addition, located at 3603 Texas Boulevard from Planned Development-Office to Planned Development-General Retail. Amanda Horton who owns Flour Child Fine Foods is proposing to construct a new restaurant with a drive-thru at this location.

The adjacent zoning is Planned Development-Office to the north, south and east and Single Family-2 to the west. The adjacent land usage is an insurance office to the south and residences to the north, east and west.

The Comprehensive Plan has designated this as a Retail area.

The applicant should be aware that since this property is located in a Planned Development District, site approval process will be required.

All notification and application requirements have been met to consider this request.

Staff Recommendation:

The use and zoning is consistent with uses and zoning to the south of this property. Most of the properties along Texas Boulevard from West 36th to West 40th Street are zoned Planned Development-Office. Staff agrees this use is a good fit for the area and the lot should be large enough to accommodate a restaurant. Therefore, staff recommends for approval of the request to Planned Development-General Retail.

Planning and Zoning Commission

Board/Committee Recommendation:

The Planning and Zoning Commission had a discussion about the requested CVEMS (electronic messaging) portion of the sign. The Commission indicated that they do not want electronic messaging signage in this area.

The applicant agreed to amend the application to exclude the electronic messaging portion of the sign. The applicant also asked to amend the site plan to include a pad for a generator which would delete three parking spaces but would still meet parking requirements for the facility.

The Planning and Zoning Commission made a motion to approve the site plan with the following stipulations:

1. Add a circular drive and canopy for drop-off at front of building.
2. The canopy and attached covered parking at the rear of the building will become drive-thru for ambulances and covered parking for employees.
3. Remove existing canopy at northeastern side of building.
4. Install a concrete pad for generator.
5. Install a new internally lighted monument style sign at the front of the building. Sign will be 82 overall square feet in size with an overall height not to exceed 11’ 8”. (No CEVMS allowed)
6. Install a sign at the entrance of the building on the eve of the drive-thru canopy.

Executive Summary and Background Information:

The street construction project between Summerhill Road and Mall Drive is getting close to completion. The new street has not yet been named. Staff has worked with MTG Engineers, the engineer for the construction project, to get input from the property owners on possible street names. Staff reviewed the possible names and staff's consensus was Summer Ridge Drive. We then sent an email through MTG out to the property owners letting them know that Summer Ridge Drive seemed to be the consensus and again asked for input. To date, all feedback from the property owners has been positive for this proposed street name.

Potential Options:

- Approve Summer Ridge Drive as new street name
- Choose another name for the new street.

Updates/History of Briefing:

Executive Summary and Background Information:

Z-15-6: This is a request by Kimberley Westley, owner, to rezone the east ½ of Lot 11 and all of Lot 12, Block 47, Grandview Addition, located at 3608 Jones Street from Single Family-3 to Neighborhood Service. This property is currently vacant land. The proposed use is a hair salon.

The adjacent zoning is Single Family-3 to the north, south, east and west. The adjacent land use is vacant lots to the north and south and residences to the east and west.

The Comprehensive Plan has designated as a low density residential area.

All notification and application requirements have been met to consider this request.

At the Planning and Zoning Commission meeting, the applicant agreed to change the application to include the Planned Development designation.

Potential Options:

None

Fiscal Implications:

None

Staff Recommendation:

This area is a single family residential neighborhood. There are no business zoned properties in the immediate area. There are several churches, a kindergarten school and a couple of non-conforming uses in the Grandview area. A hair salon could be considered as a “service to neighborhood” and not be a highly intrusive type business. However, other uses that may not be as desirable are allowed in the Neighborhood Service zoning district. The Comprehensive Plan has designated this property as a low density residential area. Therefore, staff recommends for denial of this request.
