Staff Updates

Jennifer Evans reminded council that normally, at this time of year, the City Council would call for a General Election. However, with the adoption of Ordinance No. 2017-126, the city charter was amended, by voter approval, to allow council members to serve three-year terms instead of two-year terms.

In order to make the transition to the new term lengths, a schedule was set which made 2019 the year that no council seats will be expiring in November. Therefore, the city will not have a General Election on November 5, 2019.

Item Schedule

Schedule 2: Brief once - vote once (two weeks)

Updates/History of Briefing:

"NOT APPLICABLE"

Executive Summary and Background Information:

S-710: This is a request by Curt Green, owner, and Kara May, agent, for a Specific Use Permit, SUP, to allow the location of a tattooing, application of permanent cosmetics and microblading business in a tenant space at 3003 Richmond Road. A strip center is currently located on this site.

The adjacent zoning is PD-General Retail to the north, south, east and west. The adjacent land usage is a drive-thru restaurant (Sonic) to the north, offices to the south and west and a strip center to the east.

This property is zoned PD-General Retail. A Specific Use Permit is required to allow the additional uses of a tattooing and permanent cosmetics/microblading business per the City's Zoning Ordinance. The State of Texas will regulate this business as to licensing and other health related issues.

The agent (leasee), Kara May, who owns "Body of Art" has stated that she hopes to create a "spa type" atmosphere for this proposed new business. Ms. May has also stated that the business will provide an outside patio seating area for clients.

Most Specific Use Permits along Richmond Road have been approved for permanent cosmetics and microblading. This will be a new trend to also allow tattooing. Staff recommends for approval.

If this request is approved, staff would suggest the following stipulations be placed in the Ordinance:

1. That the owner/or any employee performing tattooing, application of permanent cosmetics and microblading procedures be currently licensed by the State and meet all Federal, State and City licensing laws and health regulations. (A copy of the current license must be provided to the City prior to the opening of the business).

City of Texarkana, Texas

2. That if any complaints concerning minors or any state violations occur, the City has the right to revoke the Specific Use Permit.
3. That the sale of tobacco products or drug paraphernalia is prohibited.
4. Any remodeling of the current building must meet all city codes and requires licensed contractors.
5. No painting of the windows or the building with advertisement or graphic art.
6. No loitering allowed.
7. That if these uses ever ceases at this location, the City may revoke the Specific Use Permit.

This request meets all city requirements to allow this use. There should be adequate parking for this business.

All notifications and application requirements have been met to consider this request.

Ordinance No. 2019-079 rezoning a 6.762 acre tract of land in the J.G. Dunn
HRS, A-141 and the U. Carpenter HRS, A-822, located at 8204 N. Kings
Highway. Single Family-1, PD-General Retail and Office to Single Family-1.

Item Schedule

Schedule 2: Brief once - vote once (two weeks)

Updates/History of Briefing:

"NOT APPLICABLE"

Executive Summary and Background Information:

Z-19-16: This is a request for rezoning from Single Family-1, PD-General Retail and Office to Single Family-1 by Shannon Kelley, owner, at 8204 North Kings Highway (a 6.72-acre tract of land in the J.G. Dunn HRS, A-141 and the U. Carpenter HRS, A-822). This property is mostly vacant land with a single-family residence.

The adjacent zoning is PD-General Retail to the north, PD-General Retail and Single Family-1 to the west, Single Family-1 to the south and outside the city limits to the east. The adjacent land use is mostly vacant land to the north, west and east and a residential neighborhood to the south.

The Comprehensive Plan has designated this area as Suburban Residential.

These Office and PD-General Retail zoned properties never developed with business uses. The PD-General Retail portion was rezoned in 2007. Mr. Kelley purchased the property and constructed a residence on a portion of it but plans to utilize the entire 6.72-acre tract for residential use only. Therefore, he is requesting to rezone this acreage to Single Family-1.

Since the Comprehensive Plan designated this area as "Suburban Residential" and the owner plans to utilize the acreage for residential use only, staff recommends for approval of the request.

The applicant should be aware that if this rezoning is approved and any additional construction is done on the property, there may be additional applicable city code/ordinance requirements including but not limited to building, subdivision, fire, drainage, water and sewer prior to the issuance of building permits.

Executive Summary and Background Information:

Z-19-15: This is a request for rezoning from PD-Office to Single Family-1 by Sylvia Hatridge, owner and James Bramlett and Carla Ward, agents at 3904 Sylvia Drive (Lot 2, Block 1, Replat Hatridge Addition). This property is currently vacant land. The proposed use is a new single-family residence.

The adjacent zoning is PD-Office to the west and south and Single Family-1 to the north and east. The adjacent land use is residences to the north and east and vacant land to the west and south.

The Comprehensive Plan has designated this area as Neighborhood Residential.

The first two lots on Sylvia Drive (north and south side) off North Kings Highway were designated as PD-Office when this subdivision was originally zoned in 2008. The remaining lots were zoned Single Family-1. These four (4) PD-Office zoned lots have remained vacant since that time. The owner of this lot (Lot 2, Block 1) is proposing to sell the lot to be used for a single-family residence.

Since the lots have never developed for office type uses and a residence is currently allowed in the office zoning district as a use by right, staff recommends for approval of the request.

The applicant should also be aware that if this rezoning is approved, there may be additional applicable city code/ordinance requirements including but not limited to building, subdivision, fire, drainage, water and sewer prior to the issuance of building permits.

City of Texarkana, Texas

A property owner in the area, Mr. David Ruff, spoke at the Planning and Zoning Commission meeting and presented a letter in opposition to the rezoning request. Mr. Ruff owns more than 20% of the land within 200' of the proposed rezoning change so a $\frac{3}{4}$ vote will be required of the City Council.

All notification and application requirements have been met to consider this request.

Potential Options:

“None”

Fiscal Implications:

“None”

Staff Recommendation:

Since the lots have never developed for office type uses and a residence is currently allowed in the office zoning district as a use by right, staff recommends for approval of the request.

RESOLUTION NO. 2019-076**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF TEXARKANA, TEXAS, ADOPTING THE FY20 MASTER FEE LIST; AND ESTABLISHING AN EFFECTIVE DATE.**

WHEREAS, municipal services generally serve the total city population; and

WHEREAS, these general municipal services are expected to be delivered on a scheduled or demand basis but paid for from general funds collected broadly via property taxes or sales taxes; and

WHEREAS, there are a number of municipal services that are provided on a demand basis or provided to a very restricted segment of the general population; and

WHEREAS, the guiding principle for funding these demand basic services or services targeting a very restricted segment of the population should be paid for by those who receive or request the specific service; and

WHEREAS, user fees are often established by local governments throughout Texas and the nation using the uniform basis of collected revenues offsetting the expenses incurred delivering the service, thus not requiring taxpayer subsidy; and

WHEREAS, Texarkana does provide a number of municipal services that are used by segments of the city and thus lend themselves to being provided subject to the beneficiary paying related user fees; and

WHEREAS, city staff has prepared a list of services that are generally not used by the whole collective of the city and therefore should be paid for by those who directly benefit from the service provided.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF TEXARKANA, TEXAS:

SECTION 1: That the City Council has reviewed the Master Fee List and has determined that the services listed are used by segments of the city and should appropriately be paid for by the charging and collecting of related user fees.

SECTION 2: That the Master Fee List will be reviewed annually and adjustments made to further align the user fee revenues with the costs of providing the designated services or city council directed percentages of the total costs of providing the designated service.

SECTION 3: That this Resolution shall be in full force and effect from and after adoption of this resolution.

RESOLUTION NO. 2019-076**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF TEXARKANA, TEXAS, ADOPTING THE FY20 MASTER FEE LIST; AND ESTABLISHING AN EFFECTIVE DATE.**

WHEREAS, municipal services generally serve the total city population; and

WHEREAS, these general municipal services are expected to be delivered on a scheduled or demand basis but paid for from general funds collected broadly via property taxes or sales taxes; and

WHEREAS, there are a number of municipal services that are provided on a demand basis or provided to a very restricted segment of the general population; and

WHEREAS, the guiding principle for funding these demand basic services or services targeting a very restricted segment of the population should be paid for by those who receive or request the specific service; and

WHEREAS, user fees are often established by local governments throughout Texas and the nation using the uniform basis of collected revenues offsetting the expenses incurred delivering the service, thus not requiring taxpayer subsidy; and

WHEREAS, Texarkana does provide a number of municipal services that are used by segments of the city and thus lend themselves to being provided subject to the beneficiary paying related user fees; and

WHEREAS, city staff has prepared a list of services that are generally not used by the whole collective of the city and therefore should be paid for by those who directly benefit from the service provided.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF TEXARKANA, TEXAS:

SECTION 1: That the City Council has reviewed the Master Fee List and has determined that the services listed are used by segments of the city and should appropriately be paid for by the charging and collecting of related user fees.

SECTION 2: That the Master Fee List will be reviewed annually and adjustments made to further align the user fee revenues with the costs of providing the designated services or city council directed percentages of the total costs of providing the designated service.

SECTION 3: That this Resolution shall be in full force and effect from and after adoption of this resolution.

NOTICE OF 2019 TAX YEAR PROPOSED PROPERTY TAX RATE FOR CITY OF TEXARKANA

A tax rate of \$0.700000 per \$100 valuation has been proposed for adoption by the governing body of City of Texarkana. This rate exceeds the lower of the effective or rollback tax rate, and state law requires that two public hearings be held by the governing body before adopting the proposed tax rate.

The governing body of City of Texarkana proposes to use revenue attributable to the tax rate increase for the purpose of maintaining the current level of city services.

PROPOSED TAX RATE	\$0.700000 per \$100
PRECEDING YEAR'S TAX RATE	\$0.700000 per \$100
EFFECTIVE TAX RATE	\$0.697350 per \$100
ROLLBACK TAX RATE	\$0.787911 per \$100

The effective tax rate is the total tax rate needed to raise the same amount of property tax revenue for City of Texarkana from the same properties in both the 2018 tax year and the 2019 tax year.

The rollback tax rate is the highest tax rate that City of Texarkana may adopt before voters are entitled to petition for an election to limit the rate that may be approved to the rollback rate.

YOUR TAXES OWED UNDER ANY OF THE ABOVE RATES CAN BE CALCULATED AS
FOLLOWS:

$$\text{property tax amount} = (\text{rate}) \times (\text{taxable value of your property}) / 100$$
